LX Pro Wall Mount System

- **Flexible and Adaptable:** Accommodates different monitor sizes and configurations with various attachment options and accessory kits
- **Enhance Ergonomics:** Customizable positioning reduces strain and promotes better posture, with increased tilt range for stacked monitors
- **Modern Aesthetic:** Sleek design with improved cable management complements any workspace
- **Simple Installation:** Fewer parts, better cable management, and a detachable head make setup quick and easy
- **Maximize Desk Space:** A smaller base and compact profile free up workspace by lifting monitors off the desk
- **Boost Productivity:** Adjust monitor position to create an optimal viewing setup, improving focus and efficiency

THE NEXT GENERATION IN THE LX LEGACY

Continually recognized for its quality engineering and flexibility, LX has set the standard in ergonomic workplace solutions for over 20 years.

The new LX Pro Wall system refreshes a smart design that accommodates a monitor and keyboard on a single, secure wall track. The two independent arms adjust effortlessly for ergonomic comfort.

When not in use, the entire system stows within inches of the wall—making it ideal for tight spaces or high traffic areas.
